

We, the Senior Class of 1961, with deepest pride dedicate our "Admiral" to Mr. J. J. Booker. He who has worked long and hard to give the students of Cradock the best has earned the highest in respect and admiration from all who know him.

Even though we leave the halls of Cradock we shall forever remain grateful for the helping hand of Mr. Booker. So in humble appreciation we pay tribute to Mr. Booker, our principal.

Mr. J. J. Booker, Jr.
Principal

University of Richmond—B.S.
William & Mary—M.A.

"Are those lights really necessary?"

Mr. Wayne Hogan
Assistant Principal

Mercer University—A.B.

"Two bits, four bits, six bits, a dollar."

The expression, "One picture is equal to a thousand words," is apt in that a high school annual is concerned. The staff of the **Admiral** has tried to give a pictorial report of the main events of the school year 1960-61. We think they have done an excellent job in this respect.

Expression of gratitude is appropriate for those who worked untiringly in their effort to make this publication a success. In order for any undertaking to be successful, cooperation of the entire student body is necessary. For each of you who purchased this yearbook, thanks. We know you will be rewarded by the many happy hours you spend in recalling these the most pleasant years of your life.—And just think how fine it will be to show your children what a "big shot" you were when in high school.
