

Juniors Display Class Officers

Our Junior year marks a period of changes of tradition. We have realized the changes and accepted them, for life never remains the same. These changes help to mark an unforgettable last year as lower classmen.

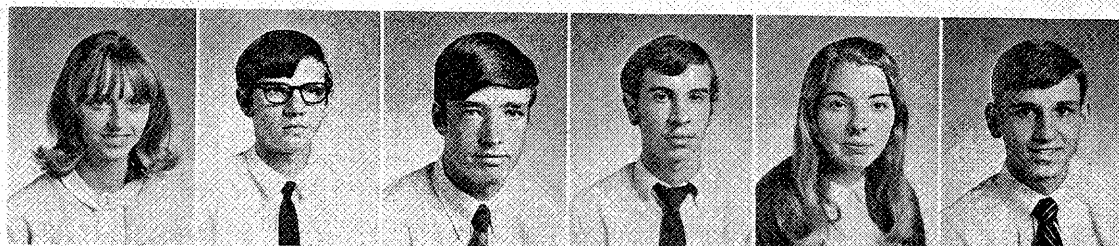

The Junior Class of 1970 was the first to receive their rings in early spring. This was one of many high points of the year. Another was the planning and striving to make our Junior-Senior Prom the most remembered by the honored Senior Class.

Juniors are soon to take that final step to the mighty Senior Class, but we will not now or will we ever forget our former years at CHS.

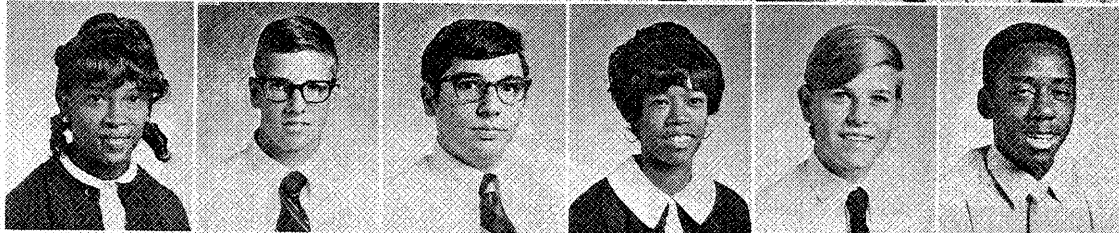

Left to right: Marilyn Gatling, President, Jackie Drew, Vice-President, Pam Bryant, treasurer and Robyn Gomer, Secretary.
