Under the guidance of its sponser, Mr. Shackelford, and the leadership of its president, Jackie Smith, the Class of 1972 had a busy and successful year. The most important goal was the success of the Freshman-Sophomore Prom. The prom committee sponsored several car washes and doughnut sales to meet the expenses.

The sophomores not only displayed their class spirit but their school spirit as well. They supported Cradock's various school projects and athletic activities. Many members of the class excelled in these. They showed great promise and enthusiasm as they readied themselves for their future.

Sophomore members of the Student Forum are (standing left to right) Jackie Smith, Jeryl Carr, Pat Crutcher, Vanessa Martin, Bambi Festa, and (sitting left to right) Robin Brown, Loretta Lane, Denise Lamb, Regina Davis, Sally Virnelson, Dorsey Stuart, and Kenny Underhill.
