## HISTORY

The first meeting of the Sophomore class was held in October, 1946. At this meeting officers were elected and class sponsors were chosen. The other meetings were held jointly with the Freshman class, when the plans were made for the Freshman-Sophomore Prom. This was the first dance to be held in the auditorium for over five years. The centerpiece was a large bell with Christmas greens around it. The color was white, carrying out the theme, "White Christmas." During intermission Billy Redd presented a floor show which was enjoyed by all. Harlem Hardy's orchestra provided the music, and the dance was a great success.
