2. To create and maintain more cooperation between the teachers and the students.
3. To develop student responsibility for proper behavior in the cafeteria, halls, classrooms and assembly periods.
4. To further the honor system.

This year the *Beta Club* has been a very progressive organization. It has instituted an honor roll to recognize scholastic excellence, established a committee for publicizing available college scholarships, and has sponsored a campaign to promote the work of the newly established Honor Court.

Twice during the year the Beta Club held assemblies for the purpose of inducting new members. The present enrollment of the club is 50. In order to become a member a student must: be a Junior or Senior, have maintained a scholastic average of 88 in high school and have outstanding qualities of character, achievement, and leadership.

The club has had varied socials during the year, climaxed by a banquet at which the new officers were inducted, and outstanding members were recognized for their achievement.

A high spot of the year was the Dr. I. B. Smart quiz program which was presented in assembly and was greatly enjoyed by the entire student body.

Affirmative:

1. Henry Carter
2. Norma Gibbs
3. Isobel Nesbit

Negative:

1. Charles Monaghan
2. Ann Lee Terkeurst

For the first time in its history, the members who have worked so hard will be well-commended on their efforts.

The Debate between the Parents and Students has proved of much value and interest.

Miss Fitzgerald and Mrs. Weaver were sponsors.

The annual 3 one-act plays were presented in March. From these, "The Perfect Gentlemen" was selected to compete with Suffolk and Churchland in the literary contest.

As a reward for all their hard work, the club journeyed to a spot on the Potomac River on May 22 for a picnic, thus ending a very interesting and busy year.

The Cradock High Band is made up of members from Cradock High, Alexander Park school, and James Hurst school.

The football season was not as the band had hoped for. The lack of uniforms kept the band on the side lines.

A combined Glee Club, Band concert was played in the Cradock High auditorium on March 11, 1948. It was quite a success.

The band won a Rate I at the district music festival in Grade III competition at Newport News March 20, 1948.

Several visits to other schools in Suffolk, Whaleyville, and others gave the band out of town engagements.

A Band-Parents Association was formed on April 1, with the aim that parents will assist in promoting the Band.

The small groups have progressed as they have sung for the P. T. A., and Christmas at the Presbyterian Church. Here there were some beautiful solos. There was a Christmas Assembly with the Candlelight Procession. The whole Glee Club participated in this event.

The soloists were enjoyed by all when they sang at the Cradock Music Club.

The D. E. is an organization of high school students enrolled in the cooperative part-time distributive education classes and has as its purpose furthering the welfare of its members in the following ways: provides a means of learning of the vocational opportunities to community life; to develop leaders for both now and in the future; to provide means for integrating the D. E. program with other school groups through joint sponsorship of projects and recreational and social activities; to provide helpful participation in civic enterprises so that students may take their places in community life after graduation; to give the student a respect for this training and a desire to keep abreast of current developments through the use of training facilities available in the community; to help develop an understanding of their employers and their employer's problems in order that the students may actually contribute to the organizations by which they are employed, and to put into practice the philosophy that in receiving money for services, merchandise or ideas, each D. E. member will give of his best in time and effort so that both buyer and seller will benefit.

This year the D. E. students have given several parties, weenie roasts, field trips, movies, sponsored speakers and artists and club meetings.

They attended State Distributors' Conference in Richmond and the State Personnel Conference in Norfolk.
