We the members of the Junior Class of 1951-1952 have strived to do all that's within our power to make the Junior-Senior Prom of this year a much bigger and better affair.

It was held at the Suburban Country Club as planned. This is the big affair of the year.

This was our main objective. We have worked hard, put all our efforts to make this the greatest of all time.

We do sincerely hope it was the most outstanding prom in the history of Cradock High School.
