PORTSMOUTH SCHOOL BOARD

A. J. Mapp, Jr.

OUR PRINCIPAL DEPARTMENT

"Let's see—what else can we cook up? . . ."

Cradock High School has been one of the guiding lights for members of the senior class for the past five years. The two most important factors in the life of an individual are his home and school, for it is in these formative years one's pattern of life is set. It is the hope of the faculty and administration that your direction as a member of the student body of this school has been wise and helpful.

Now that you, the seniors, are graduating, you will carry with you memories of your associations here throughout the years. The Admiral will give you a pictorial account of this, your most important year. Expression of appreciation goes to those of the editorial staff who have worked to make this copy of your yearbook a success. It is our desire that you will spend many happy hours in reminiscence of the days which have meant so much to you. This annual will help you keep alive these precious times.

Sincerely,
