

Freshman Class Officers Lead

Although they were new to Cradock and high school life, the Freshman class soon fit smoothly into the rapid pace of a high school's many activities. At first there were feelings of insecurity and confusion as they searched for their various classrooms and met new people. These feelings were overcome as they took part in pep rallies, athletics, food drives, the Childrens' Christmas party, and other activities.

The major event of the year was the Freshman-Sophomore Prom. This activity took long hours of planning and working as the Freshman participated in candy sales, doughnut sales, and car washes to make the prom a success.

Everyone in the class of '73 will take a different path in life, but their Freshman year will always have a special place in their memories because it will bring back thoughts of a new adventure in a totally new atmosphere.

Florence Ward, treasurer; Michele Maxon, vice-president; and Tyrome Belton, president; have decided that no goal is too high for the Freshman class.
